

# GET-TO-KNOW-YOU BINGO

**Objective:** To allow participants to get to know each others' cultural differences.

**Set Up:** Write your name in one of the squares that describe something about you!

**Go!** Find other students in your class to write their names in squares that describe them. Each student can only write his/ her name on your sheet once. The first student to get **five squares** completed in a row should yell out BINGO!
